To the best of my knowledge, Star Telephone Company, Inc. ("the Company") is in full compliance with the FCC rules on CPNI and its requirements for the safeguarding of such customer information. The Company's operating procedures ensure that it is in compliance with the FCC's CPNI Rules because disclosure of, or permitting access to, our customers' CPNI is not allowed without obtaining the requisite customer approval, except as required by law, or the exceptions set forth in 47 U.S.C. §222, and Subpart U of Title 47 of the Code of Federal Regulations; 47 C.F.R §64.2001 through §64.2011.

Appropriate safeguards on the disclosure of CPNI have been implemented in accordance with C.F. R. §64.2010.

The Company has internal procedures in place to educate our employees about CPNI and the disclosure of CPNI. Employees with access to this information are aware of the FCC's rules and are prohibited from disclosing or permitting access to CPNI without the appropriate customer consent or as allowed by law and the FCC rules. In accordance with Company policy, any employee that uses, discloses, or permits access to CPNI in violation of federal regulations is subject to disciplinary action, and possible termination.

Company CPNI Status: To the best of my knowledge and belief, the Company does not presently use, sell, or otherwise release CPNI for marketing or other commercial purposes. If our customers' CPNI is to be used for sales and marketing campaigns in the future, the appropriate safeguards will be implemented in accordance with 47 C.F.R. §64.2009.
